Scalp Micropigmentation Treatment

- ▶ **Scalp Micropigmentation Treatment**
- ▶ **Service:** Scalp Micropigmentation Treatment
- ▶ **Price:** Starts at ₹40,000 onwards
- ▶ **Duration:** 45 minutes
- ▶ **Description:** Scalp Micropigmentation is a non-surgical precision technique that replicates the look of natural hair follicles, providing clients with the appearance of a closely-shaven scalp. Also known as SMP or a hair tattoo, this treatment delivers the vision of a full head of hair indefinitely.

Special Offers: Scalp Micropigmentation Treatment

- ▶ **Lifetime Effect:** The treatment lasts for a lifetime but may fade after 2-3 years lightly.
- ▶ **Touch-up Requirement:** A touch-up may be required depending on skin color, aging, and lifestyle choices.
- ▶ **Post-care Instructions:** Post-care should be strictly followed as instructed by the aesthetician for optimal results.
